AOH CARDS

When a Festival, Bus Trip, or outing comes up in conversation with your friends / family, or an upcoming River Cruise / Raceway Park event is the topic of the moment, these will come in handy. When is that boat ride? How much does it cost? Who do I contact if I want to go? How do I become a member? I DON'T KNOW..... & they wouldn't remember if you told them, so give them one of these! Let me know if you want some to keep in your pocket.

As we do we will move on into a new year with lots of fun events that are already in the planning!! Letter from the AOH President John P. Kelly Division 1

Happy New Year!

Well ready or not, here we come 2013! All things considered, 2012 was a very good year for the Hibernians in Lucas County, and the New Year promises to be better than the last. I have a great slate of new officers who all go the extra mile to make things happen. The trip for two to Ireland is off and running. I could use a co chair with my new responsibilities but we will make it happen. Something new for us this year the LAOH is putting together a mass celebrating the feast day of St. Brigid February 2nd. We need this kind of event to remind us of who we are and where we came from. Thanks! The AOH has an installation dinner planned at Eddie Lee's in February for our new members, and that is always a good time. March signals the first signs of spring and of course the wearing of the green at the K of C March 17th followed by a trip to ND for the Spring Game. Can it get any better than this? Well yes it could. All we are missing is YOU! With the start of the new year. I am looking to fill some slots that have been empty for a long time. Our division could use a historian to give us a short report each month to remind us of what our ancestor's went through to get here. A FFAI chairman (Freedom for All Ireland) to keep us abreast of state and National efforts to promote this cause, and a chairman for Catholic Action. If anyone is interested in filling one of these slots please let me know. Having all the slots full will make for a more interesting meeting and a well rounded more informed division.

Thanks and I hope 2013 is everything you wanted and more

Matt Cassidy
